Number of characters: 0 of max 2000 (min 300)

Help-text for the question:

The Nordic benefits can mean that children and young people get increased access to contacts; they benefit from trading each other's knowledge and experiences and their wellbeing strengthens and develop through meeting. No matter which benefit you believe the project has the potential of contributing, try to explain why you think it applies to your project.

Nordic Council of Ministers' overarching perspectives

Sustainable development, gender equality, and a child rights and youth perspective are to permeate all the work of the Nordic Council of Ministers. In practice, this means that these perspectives are an integrated part of the application forms and report schemes. We ask you to reflect and respond upon these issues in connection to the project you are applying for.

You can read more about the Nordic policy for sustainable development, gender equality, and child rights and youth perspective here:

Do you apply as an undertaking as defined in the European Commission regulation 1407/2013?

Funding from the Nordic Council of Ministers, including from pan-Nordic institutions and other co-operative bodies, is paid in accordance with the procedure below, which corresponds to the rules in the de minimis regulation. ([Commission Regulation \(EU\) No 1407/2013](#) of 18 December 2013 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid, EUT L 352/1, 24.12.2013). If funding is paid to companies, the ordinance permits the granting of state aid provided that the total amount per recipient does not exceed EUR 200,000 per country over a period of three fiscal years.

Nordic Culture Point will use the information in this declaration to assess how much funding can be granted within the scope of the provisions of the de minimis ordinance.

The question below can only be answered under specific circumstances depending on what you answered the question: "Do you apply as an undertaking as defined in the European Commission regulation 1407/2013? "

Information on previously received de minimis funding

In the table below, the applicant must provide details of all funding received during the last three fiscal years, calculated from today's date. "Funding" means funding that the applicant has received from the state or other public-sector sources. The amount now being applied for must not be included.

The question below can only be answered under specific circumstances depending on what you answered the question: "Do you apply as an undertaking as defined in the European Commission regulation 1407/2013? "

I certify that the above facts are true

By submitting the application, the applicant's authorised official declares that:

- the information in the table is correct in all respects
- the applicant is aware that they are not permitted to receive funding that exceeds EUR 200,000 during a period of three fiscal years, and that exceeding this amount will result in a claim for repayment of the portion of the funding that exceeds the amount limit.
